Best reviews Newest reviews Best reviews Showing 1-27 Start your Treasure Island review: The Graphic Novel (Puffin Graphics) Nov 14, 2018 Emily really rated it This review was hidden because it contains spoiler. To see it, click here. The illustrator did really well with the image and was quite easy to follow the image. He had everything he had to have a guy didn't leave anything out. I felt so easier to follow the book because the book was confusing. So if you want to read Treasure Island, I recommend the novel Graphics on the book. Rachel really rated Nov 24, 2020 Melanie rated it was ok Apr 10, 2019 Joanna rated it was ok Apr 04, 2017 Keona rated it was ok 01 Jun 2016 Everrica rated it was ok Nov 07, 2014 Misty scored as a-read 29 Jun 2014 Amanda marked as a-read Jul 13, 2014 Emily marked as a-read 27 Feb 2015 Christina marked as a nice simple version of the story However, for a child who needs a socket of the basics, key events and characters - then this works. I see it as a compañera version in my class for someone who may find the full text too complex. Aug 30, 2018 Kristy McRae rated it · review of another edition Another of my son's library visits. He loves graphics, and this has made a good introduction to Treasure Island history. He made it curious about "the restthe story" so we hope to read the full novel soon! Another visit to my son's library. He loves graphics, and this has made a good introduction to Treasure Island history. He made it curious about "the rest of the story" so we hope to read the full novel soon! ...more Coleman, Wim and Perrin, Pat. I will. Greg Rebis. (2007). Robert Louis Stevenson's treasure island. Mandate, MN. Stone Arch Books. Characters: Jim Hawkins, Ben Gunn, Billy Bones, Dr. Livesey, Mr. Trelawney, Captain Smollet, Long John Silver, Israel Hands, other pirates. Sitting: 1700. Bristol, England. Hispaniola. An island in the high sea. Themes: Sailing, piracy, friendship, loyalty, greed Genre: Classic FictionSummary: Colemand and Perrin adapted the classic novel by Robert Louis Stevenson Trea Coleman, Wim and Perrin, Pat. I will. Greg Rebis. (2007). Robert Louis Stevenson's treasure island. Mandate, MN. Stone Arch Books. Characters: Jim Hawkins, Ben Gunn, Billy Bones, Dr. Livesey, Mr. Trelawney, Captain Smollet, Long John Silver, Israel Hands, other pirates. Sitting: 1700. Bristol, England. Hispaniola. An island in the high sea. Themes: Sailing, piracy, friendship, loyalty, greed Genre: Classic FictionSummary: Colemand and Perrin adapted the classic novel by Robert Louis Stevenson Treasure Island in a graphic novel, replacing the bubbles of thought for inner dialogue, yellowed and tattered 'scrolls' for narrative, bright and vivid animations for descriptions of character and action. All the original action is still present, highlighted by "BOOM" illustrated, "WHUNK"s, "SLAM"s, and other onomatopoeia that is embedded in the frames. Jim Hawkins and the company's adventures on the Himalayas, in search of Captain Flint's treasure, are carefully detailed both in dialogue and illustration. The novel is fast and exciting. Thanks to the illustrations of Rebis, each chapter is well-packed and visuallyJim is an eye-catching protagonist, and is designedsuch a way that young readers will be able to relate with him. Long John Silver is depicted and his image will live in the reader's mind. The finish is sharp but accurate, and leaves the reader with a feeling of satisfaction. Target audience: 4th degree and on; students reading the original versionCurriculum Ties: History, social sciences, nautical studies, piracy, British literature Personal answer: This is the first graphic novel I read, and as such, I have no basis for comparison. I found it to be visually stimulating, easy to follow, and all around a fun way to revisit a classic story. ...more Nov 26, 2012 Allison Webster rated that it liked · review of another edition This book belongs to the genre of the junior graphic novel. This book tells a classic contemporary story: Treasure Island. The review area in this novel is contained. The magic of this book is the way it is presented to the student. Not only is it a classic book divided into a readable level for young readers, but it also creates interest within students. Classical history is easily interrupted by the ability of a young reader with illustrations. This book can be integrated into this book belongs to the genre of the junior graphic novel.
